VALUES FORMATION PROGRAM FOR THE CHILDREN-IN-CONFLICT WITH THE LAW

1. TARGET BENEFICIARIES: CRADLE'S CICL
2. PROJECT OBJECTIVES:

A. Guiding Philosophy of the Program:

The Restorative Justice (RJ) paradigm with a balanced approach views crime as not merely a violation of a provision of law but of relationships; it is an injury that causes harm and hurts to people. RJ strives to provide support and opportunities for participation and communication between and among the stakeholders – those primarily affected by crime – the victims, offenders and the community.

For the offenders, RJ involves accepting responsibility for their wrongdoings and negative behavior and helping them on how to make things right; encouraging development of their capacities and increasing their competencies initially and jointly with strengthening of their Faith and improving the level of their spirituality.

RJ focuses on what needs to be “repaired”, what needs to be learned from the experience of crime; therefore RJ encourages understanding, healing and closure.

Ultimately, the Program prepares the CICL towards reintegration to the free society.

B. Specific Aims of the Program:

- Ø To help the CICL gain a deeper understanding of themselves, their relation with God, their family and their community.
- Ø To facilitate their learning, appreciation and application of Christian values.
- Ø To enable them to behave, communicate, express and/or ventilate feelings and opinions in an appropriate manner.
- Ø To help develop among themselves a spirit of camaraderie, cooperation and sharing.
- Ø To help them learn the importance of prayer and the Faith.
- Ø To facilitate the understanding of accountability and the process of healing and reconciliation.

C. Planned Activities:

- Ø Designation of a Formation Team who will be tasked to undertake the Program as lecturers and/or facilitators. However, resource speakers may also be invited.
- Ø Provision of snacks in all the sessions.
- Ø Conduct of the following sessions:

Frequency: Every Wednesday

Duration : At least six (6) months or 24 to 25
