

A DAY OF RECOLLECTION for CICL

Last March 18, 2009, the 32 young offenders of CRADLE in Bicutan, Taguig City participated in a one day of reflection and sharing, in celebration of the Lenten season. Bro. Aniceto Torrejos Jr. was resource speaker-facilitator.

He primarily based his reflection-talk on the scriptural reading “the Prodigal Son” and stressed on the virtues and attitude of the Forgiving Father - the Love and Mercy of the Father to His children, no matter what wrong they have done. Using the Johari’s window exercise,

Bro. Manny also encouraged the minors to share their thoughts and feelings and summed them all up into that one very significant Truth- that nothing can be hidden from God and GOD knows what is best for all of us. This undoubtedly gave another string of Hope to our young minds and souls in prison.
