

**ADVOCATES FOR CHILDREN & ELDER  
INTERNATIONAL PHILIPPINES, INC. (ACEIPI)**

**ANNUAL ACCOMPLISHMENT REPORT 2020  
(SUMMARY)**

The eruption of Taal Volcano last 20<sup>th</sup> of January plus the global COVID 19 pandemic that resulted in the lockdowns that started 15<sup>th</sup> of March, adversely and heavily affected the implementation of activities of ACEIPI. These activities were either partially accomplished or not accomplished at all. Nonetheless, this crisis did not deter ACEIPI in trying to pursue its mandate of providing services to the youth, given the limited mobility and the risk of getting infected.

**A. THE YOUTH FOR YOUTH PROGRAM (Y4Y):**

1. Values Reintegration – Only 2 out of 11 joint monthly sessions for youth & parents were conducted with an attendance of 26 out of 31 youth members and 16 out of 20 Y4Y parents.

The December Christmas Fellowship (i.e. reunion of past graduates from AY 2015-2018) was not organized.

The traditional Christmas gift-giving was still celebrated following the health protocols of the Department of Health. A simple Christmas package was provided to 23 Paranaque Y4Y families & 4 ACEIPI volunteers.

2. Educational Assistance – In the light of the new learning system and modalities (i.e. online study program), the EA benefit package (e.g., tuition fee & fare-support) was converted into support for school related expenses like prepaid load/data and other expenses incidental to the use of gadgets, laptop and internet connection.

**NOTES:**

- Cagayan de Oro's 10 youth members were provided financial support during the start of AY 2019 - 2020 but did not request assistance for AY 2020-2021.
- The concerned schools in Calaca & Taal did not resume classes for 2nd semester of AY 2019 - 2020.

- Although 9 college students from Calaca & 28 from Taal did not complete their second semester of AY 2019-2020, their respective schools gave them their final grades hence were able to move up to the next level this AY 2020-2021.

Of the 30 youth graduates from Taal Senior High School 2019-2020, 3 did not comply with some ACEIPI requirements. Hence, they were removed from ACEIPI's list of beneficiaries
