The members of the NANAY Youth Council are currently receiving donations to help underprivileged schoolchildren in Zamboanga, Cotabato and Sarangani provinces of Mindanao, Philippines. The Fund will be used to buy school supplies (backpacks, notebooks, pencils, etc.), shirts and shoes. These will be shipped directly to existing grassroots non-governmental organizations that are based in those provinces and are actively serving populations in remote areas. Please consider helping as part of your Thanksgiving and Christmas gifts.

This is the second year of the Project: School Supplies for Schoolchildren in Mindanao, Philippines (Zamboanga, Sarangani and South Cotabato provinces) - an undertaking of NANAY Youth Council supported by SFFAF. The first shipment of school supplies to the Philippines was made yesterday, March 2, 2017. Another shipment will be made in 2 weeks. Distribution of these school supplies will occur some

time in May 2017 just in time for the June 2017 school opening. If donations continue to come in, we would cover more remote rural barangays.
